

# Goxhill Parish Neighbourhood Plan Consultation Survey

We need your help!

## What is a Neighbourhood Plan?

A Neighbourhood plan gives you the opportunity to have a direct influence in developing a shared vision for our parish and for you to help shape the development and growth of your local community. Neighbourhood planning enables our local community to play a stronger role in shaping the areas in which you live and work. It also provides a voice for local people to plan for the types of development to meet their community's needs and where the ambition of the neighbourhood is aligned with the strategic needs and priorities of the wider local area.

If successful at referendum, a neighbourhood plan comes into force as part of the statutory 'development plan' for the area, alongside the Local Plan. So, when North Lincolnshire Council considers planning applications and planning inspectors consider appeals, they must make their decisions in accordance with the policies of the development plan unless material considerations indicate otherwise.
