

DO YOU NEED HELP & SUPPORT DURING THE COVID-19 OUTBREAK?

We are a group of people living in the **Ferry Ward villages** who have come together to help our neighbours. We want to ensure that nobody is left without help and support.

If you need help with shopping, prescription collection or just want to have a chat, please visit our website and fill out the form:

wellcommnl.co.uk/request-help

If you do not have access to the internet, or your enquiry is urgent, please call between 8am-7pm:

0844 4874 823*

*This number will connect with a local parish clerk or a member of the group. You'll be charged national rate for the call. If you cannot get through please call your parish council clerk directly.

CAN YOU HELP YOUR NEAREST NEIGHBOURS?

We are building lists of volunteers in **every village in Ferry Ward**. These are people who – under government guidance – will be able to shop for basic provisions, collect prescriptions, lend a friendly ear or give any other help permitted by government.

If you would like to offer support to your nearest neighbours, please sign up online:

wellcommnl.co.uk/volunteer

If you are a volunteer and need advice urgently, please call the number on the reverse. Otherwise, we will be in touch when a neighbour near you needs help.

Thank you for caring.
